Pregnancy Experience Scale

Below is a list of things you may experience during your pregnancy that may affect you in a variety of ways. They may make you happy, positive, uplifted or they may make you feel unhappy, negative or upset. Or they may make you feel some of each.

Circle how much this event or issue has been both an uplifting experience and/or an upsetting experience at any time during your pregnancy. Make sure that you circle a number on both sides of each question. If an item has not occurred or is not applicable write NA(not applicable) before it.

Here is an example:

How much has this made you feel happy, positive or uplifted?

<table>
<thead>
<tr>
<th>Score</th>
<th>How Much</th>
<th>Question</th>
</tr>
</thead>
<tbody>
<tr>
<td>0</td>
<td>Not at all</td>
<td>1. Your pets</td>
</tr>
<tr>
<td>1</td>
<td>Somewhat</td>
<td>1. Your pets</td>
</tr>
<tr>
<td>2</td>
<td>Quite a bit</td>
<td>1. Your pets</td>
</tr>
<tr>
<td>3</td>
<td>A great deal</td>
<td>1. Your pets</td>
</tr>
</tbody>
</table>

Say your cat has been very uplifting to you in general, so you circle 3. However, sometimes your cat doesn’t use the litter box, so it can be somewhat of a hassle, so you circle 1. If you don’t have a pet you would put NA before it.

0 = Not at all
1 = Somewhat
2 = Quite a bit
